

Human Resources Department Job Vacancy Announcement

Job Title: Middle School (MYP) & High School Math Teacher
Grade Levels: Middle Years (Grades 6- 10)
Reports to: Math Subject Group Leader/ MYP Coordinator/ Curriculum Director
Job Status: Full Time Job

Job Purpose

The MYP & High School Math Teacher plays a crucial role in delivering high-quality math education and fostering students' mathematical understanding, critical thinking, and problem-solving skills. The teacher is responsible for planning and implementing a comprehensive math curriculum aligned with the MYP framework and IB standards. The teacher will engage students in meaningful mathematical inquiries, provide differentiated instruction to meet diverse learning needs, assess student progress, and contribute to the overall development of the math program. The teacher should be able to work within the framework of the school's mission, vision, core values and culture.

Responsibilities:

- Deliver engaging and comprehensive math instruction to students in the MYP program, ensuring alignment with the IB curriculum objectives and standards.
- Plan and implement inquiry-based lessons that promote conceptual understanding, mathematical reasoning, and problem-solving skills.
- Foster a supportive and inclusive classroom environment that encourages student collaboration, critical thinking, and active participation in math activities.
- Incorporate a variety of teaching strategies and resources, including technology and real-world applications, to enhance student learning and engagement.
- Provide formative and summative assessments to evaluate student progress, provide constructive feedback, and guide individualized learning plans.
- Collaborate with colleagues within the math department and across disciplines to create interdisciplinary connections and enhance the overall learning experience for students.
- Support students in developing mathematical skills and competencies through individual and small-group instruction.
- Monitor and track student performance, maintaining accurate records of grades, assessments, and attendance.
- Communicate regularly with students, parents, and guardians to provide updates on student progress, discuss concerns, and foster a collaborative home-school partnership.
- Stay updated with developments in math education, including attending professional development opportunities and sharing knowledge with colleagues.

Qualifications

- **Degree:** BA/BS, MS/MA Degrees, Teaching Diploma
- **Major:** Mathematics Degree
- **Years of experience:** From 2 to 5 in Middle Years Classes
- **Languages:** English– Arabic

Preferred Qualification:

- Experienced at teaching math in an educational setting, preferably within an MYP or IB school.
- Strong knowledge of the MYP math curriculum and its assessment requirements.
- Proficient in using technology tools and resources for math instruction.
- Excellent communication and interpersonal skills to effectively engage students, collaborate with colleagues, and establish positive relationships with parents.
- Strong organizational skills and the ability to manage time effectively to meet deadlines and responsibilities.
- Passion for math education, promoting student inquiry, and cultivating a deep understanding of mathematical concepts.
- Commitment to fostering a positive and inclusive classroom environment.

Requirements

- CV
- Copy of the earned Degree
- Three reference letters
